

Editors' Remarks

A Moments Indulgence

by Rabindranath Tagore

The sun of the first day

The last sun of the last day

Put the question

Uttered the question

To the new manifestation of life-

on the shore of the western sea

Who are you?

In the hush of evening-

There was no answer.

Who are you?

Years passed by.

No answer came again.

Rabindranath Tagore (1861-1941)*

This 19th volume No.4 consists of four topical parts, namely, **Part A: Mathematical and Computer Modelling**, **Part B: Computer and Information Technologies**, **Part C: Operation Research and Decision Making** and **Part D: Nature Phenomena and Innovative Engineering**. These parts have a particular page numbering. References should include the symbols belonging to the part of the journal issue (A, B, C or D) and the pages of the paper quoted. (e.g.: ... **19(4C) 77-89**) We are planning to expand CMNT topics within the scope of its scientific interests.

Our journal policy is directed to fundamental and applied scientific researches, innovative technologies and industry, which is the fundamentals of the full-scale multi-disciplinary modelling and simulation. This edition is the continuation of our publishing activities. We hope our journal will be of interest for research community and professionals. We are open for collaboration both in the research field and publishing. We hope that the journal's contributors will consider collaboration with the Editorial Board as useful and constructive.

* **Rabindranath Tagore (7 May 1861 – 7 August 1941)**, was a Bengali poet, novelist, musician, painter and playwright who reshaped Bengali literature and music. As author of Gitanjali with its "profoundly sensitive, fresh and beautiful verse", he was the first non-European and the only Indian to be awarded the Nobel Prize for Literature in 1913. His poetry in translation was viewed as spiritual, and this together with his mesmerizing persona gave him a prophet-like aura in the west. His "elegant prose and magical poetry" still remain largely unknown outside the confines of Bengal.
